Thanks, hope yours were too!

If you sent these to me, I couldn't find them, sorry. Looks like I got all 12. Will look at them now.

Hi Cathy,

I hope your holidays were nice!

I got your voice message. Please find all the electronic construction drawings I received from the permittee and let me know if you have any questions on these or don't receive 12 separate .pdf files.

Thanks,

Undine Kipka
